MOTION FOR SUSPENSION PENDING SETTLEMENT, WITH CONSENT

To the Commissioner for Trademarks:

Glenn Danzig ("Danzig") respectfully requests that the proceedings in the above-captioned cancellation action be suspended pending settlement for 60 days. It is further requested that in the event this matter is not concluded by settlement, dates be reset. The parties have continued settlement negotiations with respect to this cancellation action since the Board's granting of the dates extending discovery and trial dates, dated January 18, 2012.

The parties are involved in multiple proceedings in the TTAB including two separate proceedings involving the MISFITS mark, oppositions 91184044 and 91182881, as well as this consolidated proceeding. The parties are also involved in cancellation 92050014 involving a design mark.

In the previous request for an extension of time, the parties sought additional time to review and work out the differences of the parties in connection with the settlement.

As discussed in the last motion, the parties have discussed a specific critical issue involved in moving settlement forward. Although the concept has been discussed among counsel, the parties both need to be “on board” with the approach. The undersigned has now proposed new language tailoring the concepts previously addressed to that issue and has provided it to respondent’s counsel.

The suspension is requested to give the parties an opportunity to review and work out differences of the parties, in connection with the settlement.

The parties request that the dates be reset as follows:

Proceedings resume: July 22, 2012

Discovery period to close: October 22, 2012

30-day testimony period for party in position of plaintiff to close: November 22, 2012

30-day testimony period for party in position of defendant to close: January 22, 2013.

15-day rebuttal testimony period to close: March 7, 2013

Glenn Danzig has secured the express consent of all other parties to this proceeding for the suspension requested herein.

Respectfully,

/s/
